

Career Opportunity**Role: Maintenance Engineer****Location: Ramsgate, Kent**

AEM, with its head office at Stansted Airport, is a subsidiary of AMETEK. As part of AMETEK's Aerospace & Defense Division, AEM is one of the largest independent aircraft component repair and overhaul facilities in Europe.

We have an immediate full-time vacancy, at our Ramsgate site for a Maintenance Engineer; this is a permanent role and reports to the Facility & Technical Manager.

Job Purpose:

Responsible for maintaining electrical and mechanical installations at our Ramsgate site.

Main Tasks:

- Undertake both mechanical and electrical fault finding, diagnostic and preventative maintenance on machines and equipment
- Ensuring machines and equipment on site are safe, working efficiently and fit for purpose
- To repair or replace equipment and fixtures using hand tools and power tools including fabrication and welding equipment
- Working safely throughout all activities in line with safety standards and procedures, ensuring all Risk Assessment activity is carried out prior to undertaking any activity.

Qualifications:

- GCSE Maths and English Language, grade C / level 4 or above, or equivalent
- Proven engineering background with recognised supporting qualification e.g. HNC / HND Engineering, 17th addition electrical certification, Electrical Installation City and Guilds (highly desirable)

Experience:

- Experience of working on workshop machinery i.e. lathe, mills, grinders, undertaking electrical repairs and installations in single and 3 phase supplies, undertaking general fabrication work and welding, familiar with electrical and mechanical installations (essential)
- Hydraulic and pneumatic background (essential)
- Proven ability to fault find (essential)
- IT competent; able to use Microsoft office suite (essential)

Competencies

- Ability to work well unsupervised in multidiscipline/cross-functional teams.
- Excellent attention to detail.
- Well organised and self-motivated
- Excellent interpersonal skills and ability to build close-knit relationships with outside agencies
- Strong analytical, administrative and organisation skills and excellent attention to detail
- Innovative and enthusiastic
- Ability to work under pressure, to tight deadlines and multi task
- Strong communicator (written and verbal)
- Creative and outgoing

Additional Information: The job holder must hold a full driving licence.

Salary: Competitive, depending upon experience
