

Career Opportunity

Role: Operations Technician - Aeromedics

Location: Luton, Bedfordshire

AEM, with its head office at Stansted Airport, is a subsidiary of AMETEK. As part of AMETEK's Aerospace & Defense Division, AEM is one of the largest independent aircraft component repair and over haul facilities in Europe.

We now have a full-time vacancy, at our Luton site, for an **Operations Technician** to carry out the refurbishment of First Aid / Medical Kits.

Main Tasks:

- Check and replenish component parts for First Aid Kits / Medical Kits as when found to be used / missing / out of date

Qualifications:

- Numerate and literate – minimum GCSE (or equivalent) Maths and English

Skills and Experience:

This vacancy will suit an individual with a high level of dexterity and excellent attention to detail, with ability to work at speed.

Due to the nature of the role the successful candidate will need to be able to demonstrate a full 5-year employment history.

The successful candidate will be able to demonstrate the following skills and experience:

- Excellent communication skills
- Disciplined, organised, able to work under pressure, at speed, with excellent attention to detail
- Enjoys working as part of a team; positive and enthusiastic and motivated
- Able to accurately follow written and verbal guidance, which requires a good level of written and spoken English
- Able to interpret and comply with health, safety, quality and compliance processes
- Works to a high standard of quality, control and delivery

Additional Information:

Working Hours: 39 hour week

To apply for this role please submit your CV, with a covering letter and salary expectations to Janine Barber, HR Advisor; e-mail Janine.barber@ametek.com
