

## Career Opportunity

**Role: Operations Technician**

**Location: Ramsgate, Kent**

AEM, with its head office at Stansted Airport, is a subsidiary of AMETEK. As part of AMETEK's Aerospace & Defense Division, AEM is one of the largest independent aircraft component repair and overhaul facilities in Europe.

### JOB PURPOSE

- To work as part of the Machining and Plating (MP) workshop team, under the day to day direction of the M&P Operations Cell Leader, developing concession applications for landing gear original equipment manufacturers (OEMs). Support the Goods inwards inspection for MPBU orders.

### PRINCIPAL DUTIES AND RESPONSIBILITIES

- To prepare concession applications for landing gear OEMs.
- To oversee the concession submission process and liaise with OEMs as required.
- Carry out hardness testing (as required).
- Carry out contract review of MPBU customer work orders.
- Book in and raise relevant paperwork for MPBU work orders.
- Carrying out detailed measurements on various aircraft components.
- Carrying out paint strip and polishing of various pins.
- Prepare bush drawings for bush manufacture/Fabrication.
- To prepare SOP's for MP workshops
- Support with transportation of components between MP and Logistics department.
- Progress of orders for both FP & MP.
- Ensure strict compliance, implementation and maintain operating standard of 5s

### Qualifications:

- Qualified or working towards a relevant engineering qualification (highly desirable)
- Highly numerate and literate (have GCSE or equivalent in Maths and English) (essential)

### Experience:

- Capable of using, with a high degree of accuracy, a range of measuring tools (essential)
- Able to work in a team in a demanding, customer focused working environment.
- Able to read engineering drawings

### COMPETENCIES

- Ability to work well in multidiscipline/cross-functional teams
- Excellent computer skills (Microsoft Word & Excel) (essential)
- Excellent interpersonal skills and ability to build close-knit relationships with outside agencies
- Strong analytical, administrative and organisation skills and excellent attention to detail
- Innovative and enthusiastic
- Ability to work under pressure, to tight deadlines and multi task
- Strong communicator (written and verbal)
- Creative and outgoing
- Well organised and self-motivated

**Other Information:** This role is physically demanding. The employee will be required to meet the physical requirements of the role on a daily basis.

**Working Hours:** 39 hour week

**Salary:** Competitive depending on experience
